

## Activities Fair Trifold Poster

Let's get the year off to a strong start by growing the MEDLIFE Movement on campus through your school's Activities Fair! In this document, we've included some printable materials to help make your Activities Fair poster stand out! We encourage you to highlight your Chapter's past events and Service Learning Trip experiences.

**Keep scrolling to check out the printable graphics. You can simply cut along the line and paste them to your trifold poster!**

**You can also add a QR form in your trifold.** This year, all Chapters must use the official Join the Movement form to collect the details of interested students. MEDLIFE HQ will share this data with the Chapter so you can reach out to students and organize events.

You can find the form for your location here:
